

USE CASE

PARTICIPATORY BUDGET IN ANGERS

Making the most of the first edition, the citizens of Angers (France) have democratically allocated 1 million euros of the city budget, thus giving life to 16 citizen-launched projects.

The key to success

- ✓ Training of an internal taskforce dedicated to the animation
- ✓ Extended communication all over the city for each new phase
- ✓ Weekly coordination between OSP and city administration
- ✓ Balanced mix between digital and physical participation
- ✓ Contact with the projects promoters through Decidim's messaging service
- ✓ Simplified handling and transparency enabled by the digital platform
